What's in a light? A lot!

Digital Joes proudly offers one of the best light shows available today

Our premium lighting package includes...

- Two Chauvet Rock-N' Lite Stage / Dance assortments to wash the dance floor and your guests in a range of colors in sync with the music
- A spinning Starball dance ball for those intimate slow dances
- Our Chauvet Vue III moonflower LED light, that projects dazzling colors across a wide area of the floor. Watch out because as you groove the lights groove with you.

- Two Chauvet Vue I moonflower LED lights which complement the Vue III by adding a smaller field of brilliant color
- Two Chauvet Vue II moonflower LED lights enhance your guests' LED light show experience
- A powerful strobe light for when the bass really gets thumping
- Our lighting will make your dance floor come alive with an explosion of colors.
